

Borrow-A-Frame: We have lots of frames! If you can't afford to buy a frame for your artwork for an exhibit, come to Open Studio *ahead of the deadline* and we'll try to pair you with a loaner frame you can borrow. Hint: It's easier to frame if your artwork is a *standard* size (such as 8x10, 11x14, 14x18, 16x20, or 18x24 inches, etc).

Gallery Grunt Team: If you'd like to help install these exhibits, we'd welcome your help! We have a team of 6 to 10 people who dedicate a few hours three times a year to hang artwork in the gallery. Installations are always on a Saturday from 10:00 to 3:00. We love and appreciate our grunts! For more info, contact jessie.nilo@vineyardboise.org.

This exhibit is scheduled to last approximately 2 months.

To be considered for entry into this show,
water must be a noticeable part of your art piece.

Ask God to speak to you through His presence and Word when creating this piece.

What if my artwork doesn't fit this theme?
... If it doesn't fit, just wait for a different VineArts exhibit.

Note: We'd really love to get this clear envelope back at the same time you turn in your Release Form.

If you've decided NOT to submit art for "H₂O," please
return this entire packet to church so that someone else can use it.

Please note: All artist statements must be typed ONLINE at
vineartsboise.org.

We do not accept artwork that's been dropped off without having a corresponding statement
that has been typed online.

Q. Do I need to submit water imagery that has a certain theme?

A. No, there's not a certain theme. Your imagery can be formal (just for the beauty of it), abstract, conceptual, etc. The image can convey emotional meaning and/or represent spiritual references, but it doesn't have to.

Q. What forms of water could I convey for this exhibit?

A. Water has 3 states of being: liquid, solid, and vapor.

You could explore the issue of clean drinking water, scenes of fog, waterfalls, the molecular structure of ice, global weather patterns, the percentage of water on earth or in the human body, the effects of water on plant and animal life, the different sounds water can make, scriptural references about water in the Bible, etc. There are many approaches to the subject of water.

Q. What if I submit artwork with water in it that isn't really noticeable?

A. Our jury will decide. We're looking for artwork that at least partly involves water as a visual or conceptual factor, not just some random puddle in the corner making water "technically" present somewhere in your image.

"Now the earth was formless and empty, darkness was over the surface of the deep, and the Spirit of God was hovering over the waters." Genesis 1:2

"I have seen the sea when it is storm and wild; when it is quiet and serene when it is dark and moody. And in all these moods, I see myself" Martin Buxbaum

"No man ever steps in the same river twice, for it's not the same river and he's not the same man." Heraclitus

"Jesus answered, "Very truly I tell you, no one can enter the kingdom of God unless they are born of water and the Spirit." John 3:5

"Let us go right into the presence of God with sincere hearts fully trusting him. For our guilty consciences have been sprinkled with Christ's blood to make us clean, and our bodies have been washed with pure water." Hebrews 10:22

"A river cuts through rock not because of its power but because of its persistence."
Jim Watkins

"When you pass through the waters, I will be with you; and when you pass through the rivers, they will not sweep over you." Isaiah 43:2a

"For I will pour water on the thirsty land, and streams on the dry ground; I will pour out my Spirit on your offspring, and my blessing on your descendants." Isaiah 44:3

"I would love to live like a river flows, carried by the surprise of its own unfolding."
John O'Donohue

"Rivers know this: there is no hurry. We shall get there someday." A. A. Milne
